Megan –

Attached is a red-lined version of STRONGER's proposed air quality guidelines that Claudia and I created. This seemed the most efficient and least confusing manner of communicating suggested language changes and asking specific clarifying questions.

Let Claudia or I know if you've questions.

**Subject:** R8 Comments on STRONGER Air Guidelines

Hi, all,

Thanks for agreeing (or considering) to review the draft STRONGER Air Guidelines. A few items:

- (1) Cindy had a good question about coordination and comment logistics. I propose we save a copy of the Guidelines on one of our R8 SharePoint sites and then send our version to OAR on 2/15. Does that work?
- (2) I know you all have a lot on your plate. Is there interest in dividing the document between Cindy and Claudia for the technical review (so you don't have to review the whole document)?

Thanks, Megan
